dedication

In deep appreciation of the time, effort, and support he unselfishly gave to the school, the class of 1967 dedicates its yearbook, Mitobo 67, to Mr. Richard Pavesi.

masconomet . . .

these empty halls

through which

we have walked . . .

how we have filled

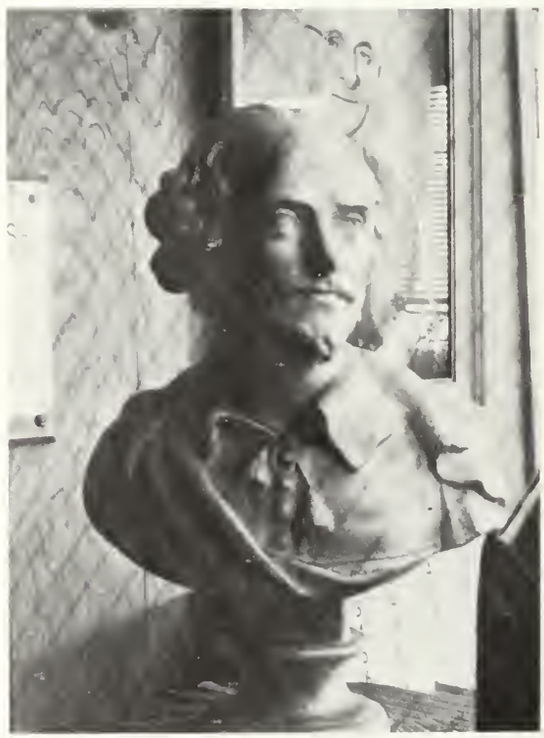
them depends on

the individual.

for some,

they have been

filled with . . .



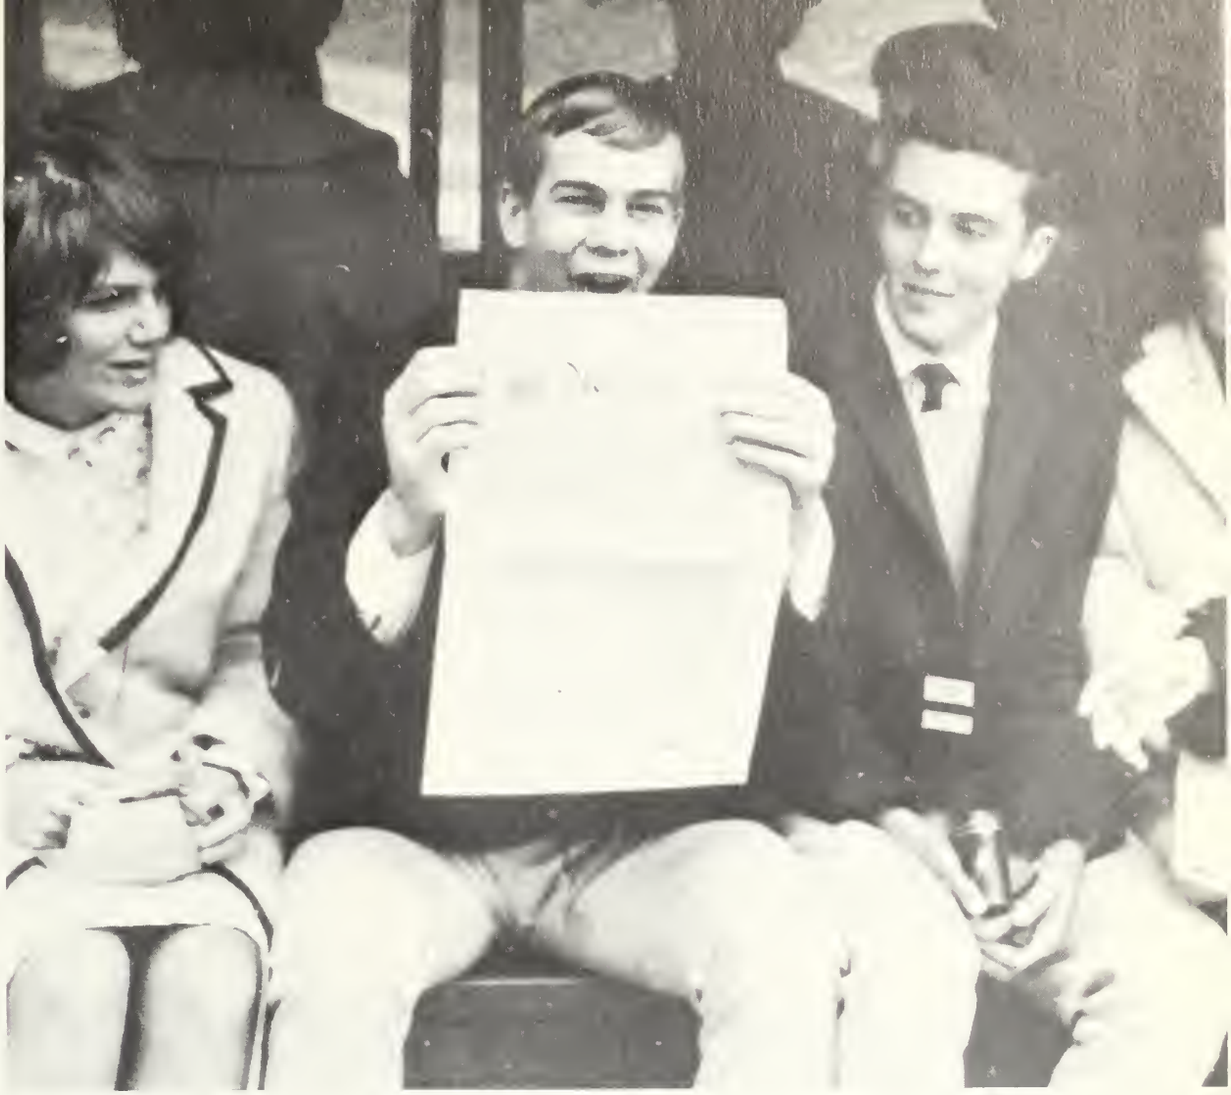
study and learning . . .

perhaps with boredom

or depression.

they have been filled

for others,



with activity, with fun and laughter,

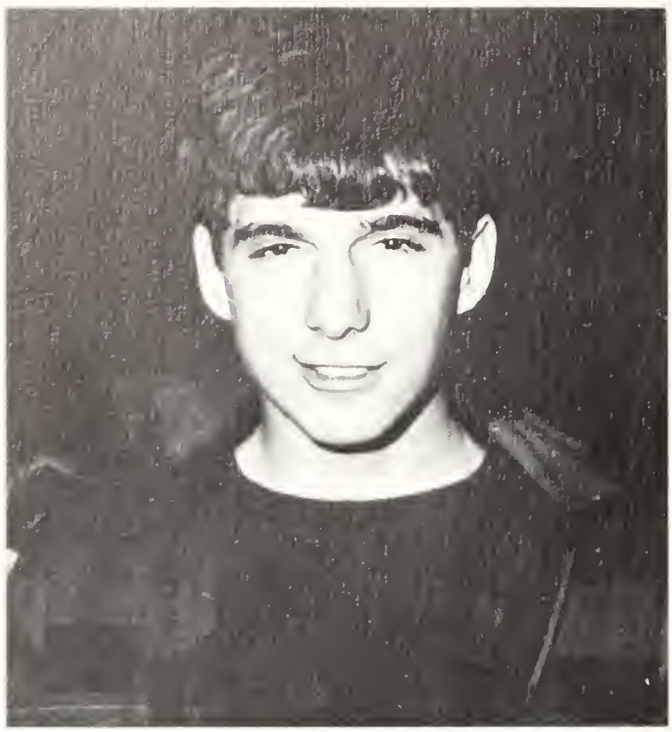
with the spirit of working together.

we have known
the spirit of competition—
the discipline

the enthusiasm

or the reality of defeat.

victory . . .



our classmates—

some close friends . . .

some acquaintances

and some

we never

got to know . . .

junior-senior prom '66

On June third, 1966, the Junior-Senior Prom, Sayanora, was held in the Archibald L. Jones Gymnasium. A Japanese garden . . . reflecting pools surrounded by azaleas and willow trees . . . the walls hung with murals of Japanese art . . . a bandstand pagoda . . . and a summer night.

The final product was the result of weeks of planning and a great deal of hard work. Gay Mann was general chairman. Under her direction worked committees which planned for decorations, gifts, and refreshments. David Barr and Richard Feher were responsible for the lovely Japanese murals which hung on the walls.

The queen of our Prom was Suzanne Savage. Members of her court were: Judith Allen, Priscilla Kane, Bonnie Richards, Cynthia Ruocco, Janice Waitt, and Carlene Wells.

powder-puff football

On November twenty-third, 1966, the third annual Powderpuff Football Game was played between the Seniors and the Juniors. The Seniors, who had the full backing of the Playboy Empire played a great game, and, in spite of a 0-0 tie, the Seniors were declared the technical victors. Gay Mann and Wendy Graham co-captained one of the most talented teams ever assembled at Masconomet. The Juniors played a good game, but were outclassed. During half-time, a spectacular show was produced by Senior well-wishers. An enormous band, augmented by our fantastic faculty and colossal cheerleaders presented exhilarating entertainment to the appreciative audience.

the sound of music

The halls are alive with the sound of music . . . This year's musical production, the hit of stage and cinema, was presented on March 10 and 11, 1967. Under the direction of Miss Jean O. Jarvie, the musical was one of Masconomet's most successful productions. Linda Milako and Jay Norris played the starring roles, supported by Ted Cuthbertson and Bonnie Wade. The many people in the cast and committees worked together and with cooperation gave a performance of which we can all be proud.

Ski Club

The Maskiers is one of the most active organizations at Masconomet. This year the club sponsored a Warren Miller movie, "The Skiers," and went on a three-day trip to Killington, Vermont. The skiing was terrific and a great time was had by everyone.

Kaleidoscope Editors

Kaleidoscope, Masconomet's literary magazine and the winner of the New England Press Association Award, is ably led this year by Cathy Jansen, editor-in-chief. Other editors are Judy Moore, literary editor, and Barbi Irwin and Susan Halloran, poetry editors. This year's staff produced two issues which maintained the standard of excellence previously set. Kaleidoscope, which allows the creative student to see his work in print, is a publication of which Masconomet can be proud.

Library Aides

The Library Aides are dedicated students who give up their study halls to assure the efficient operation of the library. They help Mrs. Cory, our librarian, by shelving books, taking care of magazines and microfilm, and checking out books. Their only reward is the satisfaction gained from voluntary service.

mitobo

Of all the productions at Masconomet, our yearbook, MITOBO '67' has turned out to be a difficult, complex record of our impressions and memories at Masconomet. In its eighth year, MITOBO has become a fixture at Masconomet, looked forward to with eagerness by underclassmen; for seniors, it is somewhat overshadowed by graduation. The work necessary for so important a compilation has necessitated many late hours for editors and staff. It has involved planning, writing, and typing, financing, and censoring, activities which were coordinated by our Editor-in-Chief, Scott Prior, and our advisor, Mr. Robert Jacques. In addition to Scott, there were eight editors. They are Assistant Editor-in-Chief Suzanne Savage, Literary Editor, Winifred Brackley; Art Editor, David Barr; Photography editor, Lloyd Farrin; Advertising Editor, Robert Hughes; Subscription Editor, Priscilla Kane; Head Proofreader, Robert Armitage; Head typist, Helen Jones. How can we go wrong? These staffs and editors have worked diligently and can promise the best possible yearbook, MITOBO '67.

This year's Chieftain Harriers retained their Championship by defeating all other teams in the League Competition. Co-captain Greg Banus came in first in every league meet. First year runner Larry Paulson, a senior, often placed second giving great support to the team. A capable sophomore, Dave Farley, shows great promise for next year. Other outstanding members were Co-captain Jeff Hosterman, Steve Crowe, Jim Kuczun, John Deveney, and Tom Hamilton. The Harriers, coached by Mr. Gregorchik, certainly deserve congratulations for another excellent season!

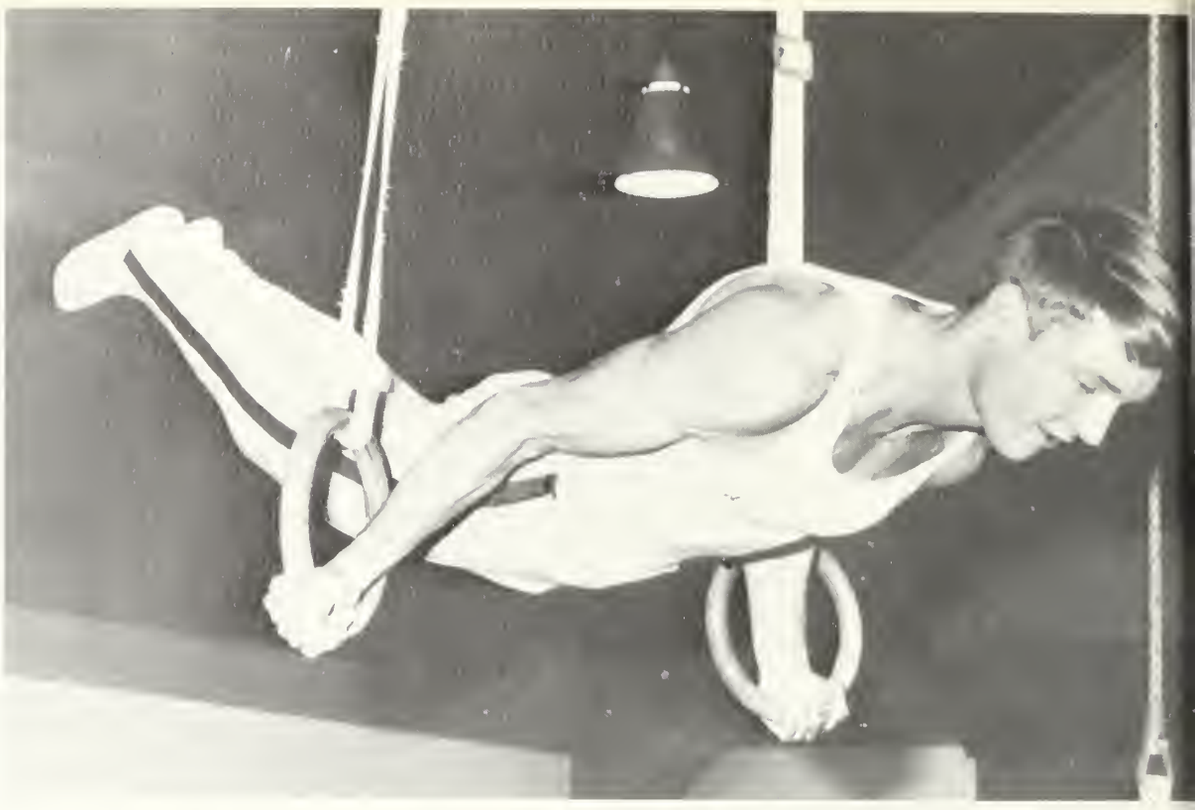
Our girls' basketball team has done well this year, in spite of the fact that the coach, Miss Wier, has been out of commission. Mr. Campbell has done a good job as an occasional pinch-hitter. The girls, who all displayed a great deal of skill, were led by Gay Mann as high scorer. Wendy Graham and Charlene Peters were outstanding senior members. Talented as juniors were Laurel Giannino and Cindy Bullens. This year the team went international, with the addition of Marit Fossum.

girls' basketball

This second season for the girls' gymnastic team has gone very well. Coached by Miss Clark, the team has improved greatly over last year, participating in many events: the horse, parallel bars, balance beam, tumbling, free exercise, and trampoline. Outstanding performances were given by Sharon Curtis, Donna Trask, and Carol Pavesi.



boys' gymnastics

This year's gymnastics team, lead by co-captains Dan Phelan and Greg Banus had a disappointing season although all members performed well. In spite of the team's ability, the final record was one win, 5 losses. At the Merrimack Valley League meet, however, Richard Feher won first place for his performances on the parallel bars, while Dan Phelan won three fourth prizes for free-ex, tumbling and high bar. We congratulate the gymnast team for their fine efforts.

basketball

This year's Chieftains provided many exciting moments. Beginning with Pentucket, a win of 60-47 and ending with Hamilton-Wenham, the season had several highpoints. In the win over Ipswich, Phil Riley, Co-captain and among the high-scorers in the league, made an outstanding performance, rivaled by David Benson, the other Co-captain and one of the team's high-scorers. There were several heart-breakers: the first Hamilton-Wenham game was lost by one point, and the following one, against Pentucket, was lost by two. Steve Sawyer, in his first year as varsity coach did a great job with the team. Outstanding players were John Lee, Jeff Hosterman, John Deveny, Charlie Peters, Joe Fowler, Greg Kentera, Jim Tirrell, Tony Wyner, Ken Crocker, and Roland Walker.

hockey 1967

Hockey, a favorite winter sport at Masconomet, got off to a good start. Our Chieftains either tied or won the first five of our games. The team was coached by Gerald Plumley, assisted by Bob Poor. High scorer for the season was Dan Eremian, also among the top ten high scorers in the league. Other high scorers were Co-captain Eric Peterson and Jim Kuczun. The other Co-captain Dan Mahoney was outstanding as goalie. Dan Despres, defenseman, added lots of excitement. The games at Billerica were well attended by enthusiastic spectators.

Our yearbook . . . what we have done and been for four years. Things we have liked, others we have not. Some of us are through with school, others of us have only begun our pursuit of knowledge. There will be new experiences and opportunities, some of us will be receptive to change, while others will return to conservatism. Our lives stretch out ahead--an expanse to be filled as we wish. There are no boundaries to dreams and ideals, but those which we ourselves set. An end to an old life, an open door to a new . . . This MITOBO is our reflection of these four years, a reflection we all can share.
